Last worked over 5 years ago or never worked	2,278	386	19.1%	999	221	16.7%	1,279	445

* Total migration is the sum of interstate and intra state and foreign migration

** Out migration totals under report estimated out migration because of suppressed Outflows. Net migration totals (In migration minus Out migration) also do not include these suppressed outflows.

*** Sum of migrants by occupation status will not equal sum of migrants by employment and work status because of suppressed data.

**** Military specific occupations are only for Armed Forces that could not be classified in an existing civilian occupation.
